VINCE,

I HOPE BIOLOGY HAS BEEN
AN ENJOYABLE EXPERIENCE FOR
YOU, BECAUSE IT SURE WAS FOR
ME. Collecting insects to dissecting
A CRAYFISH, WAS KIND OF A THING
THAT WE DON'T NORMALLY DO,
ONLY WHEN WE HAVE TO KILL A
"CUCARACHA" FOR CRAWLING INTO OUR
BEef Bowl. (grosse huh!)

HAVE AN ENJOYABLE SUMMER
AND PRACTICE HARD FOR NEXT
BASEBALL SEASON. YOUR FUTURE
MAY LOOK GREAT W/SOME
PRACTICE.

Dear Vincent,
It was nice having you in biology
I remember when we were kids and
I lived at my house and you lived
at yours. And now you went to Dwyer
(probably) and I went to Chertsey.
Well, it was fun. No, seriously I
wish we would have talked more so
I could have gotten to know you
better. You seem like a sweet person.
Good luck in your future, but you
are already a winning-type person.

CHEERLEADERS

This year something different was tried in cheerleading. Instead of Junior Varsity and Frosh-Soph competing as individual squads, they combined talents and competed as one squad in the J.V. division. We are proud to say that they performed well as a competition squad and proved to be an excellent team.

Junior Varsity: Lael Woodward, Wendy Gladu, Susie Mesias (co-capt), Markele Cantrell (capt), Carrie Andrews, Irene Sanchez.

THIS PAGE IS DEDICATED TO OUR SHIELD ADVISOR MR. SEYMOUR VICE. ALTHOUGH HE SUFFERED A SERIOUS HEART ATTACK AND COULD NOT FULLY COMPLETE THIS YEARBOOK WITH US, HIS HARD WORK PRIOR REALLY PULLED US THROUGH, OUR THOUGHTS ARE WITH YOU MR. VICE, MAY YOU RETURN NEXT YEAR HEALTHIER THAN EVER!

THE 1985 SHIELD STAFF

HONORS

GIRLS STATE REPRESENTATIVE

Girls' State was the most unforgettable experience. In only a week, I learned so much about our system of government and how it works. It was exciting to actually take part in the proceedings of a mock government.

I made many new friends and gained confidence in myself. I would like to thank Mr. Quinn, the faculty, and the American Legion Auxiliary for giving me this great opportunity.

Best wishes to the 1985 Girls Stater and I hope you have as much fun as I did.

Sincerely, Katie Morimoto

Vince,
Since I'm forced to write
here - I guess I will. You're
still one of my super crazy
very good friend. He's been
great having a locker near
you even though I could
never open mine eh!!!
Keep me in mind over
the summer! 144-3921
We must get together and
get totally crazy! This has
really been one wild year.
And I'm glad you were part
of it. Next year is gonna jam.
All 8 seniors are COOL?
I hope we get a class
together next year so that we
can drive our teacher crazy!

FOREIGN EXCHANGE

Héj,

This past summer I stayed for two months with the Wallheden family in Uargårda, Sweden on the AFS summer Program. The experiences I had will probably go down as one of the greatest times in my life.

I lived with a family of 5, Borje and Christina, my parents, Jenny and Louisa, my sisters, and Gustau, my brother.

I can only encourage people to try the AFS program, because it gave me friends all over the world and an abundance of memories.

Paul J. Chamberlain

RETIREE

DONALD J. FOX PRINCIPAL 1979-1984

It has been a distinct pleasure serving as the Principal of Arroyo High School for 5 years. I have worked as a teacher, counselor, assistant principal and principal in the El Monte Union High School District for the past 30 years, and I have been fortunate to be able to retire as the principal of this outstanding high school.

I would like to thank you for the privilege of being able to work with thousands of great young "Knights," wonderful parents, very supportive teachers and staff, in a great school district.

My career has been very rewarding. In fact, I have led a "sheltered life" in 34 years as an educator. I leave December 21st with many fond memories of my career as an educator.

Goodbye, Knights, and good luck. If your paths ever cross in the future, please come up and say "HELLO." It will be great seeing you.

Donald J. Fox

RETIREE

HARRY L. SCHNEIDER EDUCATOR 1962-1985

Most of my teaching career was at Arroyo High School. It is a great school with a wonderful staff of dedicated educators.

Some day *all* students will wake and take advantage of the opportunities afforded to them.

ODES

Summer is gone, no more sleeping late
Early to school, promptly at eight
School has started and there's many new faces
You can tell they are from all different places
The athletes are on cloud nine
I'm proud to be in this country of mine
The staff is decided, the theme has been picked
But we're giving out clues so the students are tricked
Florescent colors where ever you go
How people wear that I don't know
Pep commission is full of fun
With Wendy as captain they'll get the job done
We finally have a cheerleader that's male
With a guy like J.R. we know we can't fail
The freshmen were scared the first day of school
By the time they are sophomores they'll think they're
real cool
It's freshmen, freshmen everywhere
They rush about, here and there
The blue, black, and white assembly was quite an
endeavor
The freshmen will remember it forever
The Howdy Dance is coming soon
Expect to see the freshmen there at noon
Summer is gone we're now back to school
The obsolete phrase is "keeping it Cool"
The classrooms are open and students are seated
The teachers drag time while the students are heated
With highs in the hundreds we almost did sizzle
But thanks to Marie we at least go some drizzle
The heat is unbearable, I cannot think
I'd rather be on an ice skating rink
Out were the lights on some of our streets
Results of an overload due to the heat
The first football game was really great!
We cremated Pasadena 0 to 28
We won our first game 28 to 0
Now we can prove Arroyo's our hero
Arroyo had its first football game
We looked neat, while South Pasadena looked lame
Arroyos' football team is comin' along swell
MacKinnon says we're gonna do well
Our football players did well
Last night we beat Cantwell
The Nights have been winning by a mile
That's sure to make everyone smile
Our new full-time librarian is Mrs. Peel
Come check out our fiction and those supposedly real
Driving students don't you dare forget,
Register your car and you won't regret
Senate Bill 813 will keep our Seniors in class
I bet the class of '88 will think it's a pain in the bottom
Hot VW's are in style
They'll be around for awhile
The Knights plucked the cardinals 40 to 6
And the staff took some really good pics
Gina who was mingling all around
Took pictures of that rambunctious (football) crowd
Up at seven, to school by eight
Couldn't hack it, so we came late
There's alot more trendies, yes it's ture
You better watch out cause they might copy you
To be in dance you had to pass a test
Because Ms. Lyles will only except the best
Tardies to class are lower this year
Cause the student body has Mr. Robbins to fear
Going to Salvo's is a hip new place
Especially for the rocker who only take up space

Freshmen think they're really great
But on a scale of 1 to 10 they don't even rate
Freshmen are usually found staring in space
Since they can only chew gum while standing in one
place
The cheerleaders will make you jump and shout
To show you what school spirit's about
Kids are swarming to the L.A. County Fair
Can't someone give me transportation there?
I picked up my parking permit today,
For 50 cents, they won't tow it away
Pictures are being taken for our candid pages
We plan on putting them in our book of the Rock Ages
Petitions are being handed out for freshmen class
elections
All freshmen are told to make wise selections
We beat Whittier 27 to 22
Arroyo scored on the first play on a run by Tom Arvisu
Miss Friendly El Monte is coming around,
The Arroyo girls are princess bound
The heat is unbearable, there is no cool day
"When will it rain?" We all seem to say
Michele did great in her X-Country race
She was jamming away and took second place
This class of mine is really a bore
I don't think I'll be able to take anymore
Next Friday is the Howdy Dance
Come welcome the freshmen if you get the chance
This year we have 3 bells before all our classes
Mr. Quinn is really happy about the lack of masses
Look at the new fashions from neon orange to electra
blue
They have finally made their way to Arroyo High School
Anthony Loya is sending my proofs
I only hope they aren't all the goofs
Mark is working hard on the cover
It will be interesting to see what he discovers
Tonight is the Howdy Dance we'd wish you all come
It is mainly for freshmen to have some fun
Selling football ribbons was really a hit
For only 50 cents kids were really buying it
Arroyo is now four and 0
That's top in Mission Valley League, Didn't you know
Arroyos latest principal is now Mr. Quinn
It's nice to know Arroyo High is running well within
Tonight we play the Workman Lobos
After the game their going to look like hobos
Sitting in a classroom my mind tends to wander
Laying on the beach, I can think of nothing fonder
Arroyo's win over Workman High was really a delight
Of course it had to be topped off by engaging in a fight
To get our equipment, back and forth we came
We had to stuff our room, it'll never be the same
The Shield Staff room has finally been selected
All we need now is to have it disinfected
Our, feud with Rosemead has been going on for 29
years
Tonight we play them to add some more cheers
The editors office is being cleaned out for Shelly
When we first walked in, it was really smelly
A day at home to catch up on the soaps
Would be really nice for all of us dopes
School's been in for quite some time
I think it's time to rest my mind
One, two, three, four, five
We're the school that's most alive
Grades closed yesterday'
I wonder what my parents will say

ODES

Arroyo beat Rosemead 28 to 7
 Varsity Knights are in seventh heaven
 Funk is the most popular music at the dance
 Wish they'd give Rock n' Roll a much earned chance
 November first is Back To School Night
 I better run now, and get out of sight
 In English Ms. Ware is finally getting the knack
 Mr. Nelson we miss you, we want you back
 Witches, warlock, vampires too
 I think they're scary, how about you?
 Creature feature fashion show
 They all dress funny, don't you know
 From hot to cold is how the weather changed
 Inactive by shivers, many pounds we'll have gained
 Tonight we play Duarte and we hope not to be beat
 If we beat them, we will have accomplished a feat
 In the season opener, we beat Rosemead 28 to 7
 We have now outscored our opponents 173 to 47
 English for some people is such a breeze
 But for me, I'd like to catch some Z's
 The florescent fad came in greens and in pinks
 But actually we think it all stinks
 Did you see Farrah Fawcett in "The Burning Bed"
 Her husband should have been shot dead
 October fifth is a day I dread
 If I don't turn in a book report, hey I'm dead
 Varsity football lost their first game of the year
 That's okay guys! Another victory is near!
 The college bound Juniors were anxious today
 The PSAT has left them astray
 Have you gotten the five day flu,
 If not, just wait, you'll feel real blue
 Bruce Springsteen's concert was last night
 The lights that fell caused a freight
 Norwalk is our first parade
 We'll go through like an evergalde
 Everyone keeps bugging me to tell them the theme
 When I don't tell them, they say I'm mean
 Our homecoming game is a week from tonight
 We'll be there to watch the fight
 Time to choose the Homecoming Queen
 She has to be sexy, sweet, and lean
 Prince was there, he was all decked out
 As the guys and gals began to shout
 The dance was really neat
 Cuz KIIS F.M. has the beat
 I thought that by now rock would be dead
 But it keeps on going, full steam ahead
 We beat Mark Keppel 0 to 33
 Who is the best, at CIF we'll see
 Our football team is CIF bound
 At their games they're awesome, they don't clown
 around
 The Seniors pics have finally arrived
 The undergrads feel deprived
 Varsity is now CIF bound
 They will play Chino in the first round
 The school days are getting better
 Yet, the days are cold, so don't forget your sweater
 Christmas is coming, not like any before
 It's not safe, shut the windows and lock the door
 Senior Class Council is selling See's suckers
 So give one to your girlfriend instead of those puckers
 Varsity football is seeking CIF or bust
 Their first game looks rainy but a win is a must
 Drama is rehearsing Rashomon for their first play
 Let's plan to attend, buy your ticket don't delay
 The first deadline was met with struggles and cries

The next one is coming lets break for some fries
 Baby Fae died with a failing babboon heart
 Her name will be remembered, science made its mark
 Tomorrow band has an invitational
 We all hope they do sensational
 Baby Fae died at nine
 And we all thought she was doing fine
 Coming up the 21st is the Christmas Ball
 The "Big Beat" will be there, so don't boogie out of
 your pants
 Arroyo football is doing great, so I hear
 It's a big improvement, from last year
 You better watch out, you better not cry,
 'Cos you won't get anything from the little fat guy
 The basketball team will jam with no doubt
 Lets go for the big one, don't be left out
 The baseball team is practicing for league
 Hitting and catching with much fatigue
 People on Shield Staff can never be found
 Whenever we need them, we need a bloodhound
 Our new yearbook room is really small
 We're so crunched-up, we can't work at all
 Our second deadline is coming up soon
 In fact it's next week, we better change our tune
 The Christmas Ball was quite a sight
 They all had fun, what a wonderful night
 Exams are here with no half days to spend
 The students are griping "Will it ever end?"
 A.S.B. elections are coming around, Paul or Missy?
 which one is President bound
 The basketball team is now 1 to 1 in league
 After each game they are full of fatigue
 Today the Soccer team plays Mountain View at Arroyo
 We should do good since we're on our home soil
 Lately the days have been ugly and grey
 Everyone hopes for just one light of ray
 Augusto Davila was quite a sight
 He became our Homecoming Knight
 Edwin Moses caught soliciting a prostitute
 Because of this, there is a big dispute
 Everyone's hoping that the finals will go away
 But to their dislike, they're gonna have to stay
 Yesterday Pres. Reagan partied all night, which wasn't a
 bore
 Good thing he didn't get drunk and start a nuclear war
 The famine in Ethiopia is really sad
 If you really think about it. It's the worst we've ever
 had
 Good as ever is the Arroyo track team
 The reason for this is because they're full of steam
 ASB elections are finally here
 When the candidates make their speeches, they'll be
 full of fear
 Michelle Stafford was crowned Homecoming Queen
 A lot of people thought that was real keen
 Mrs. Fernald is our new Assist. Principal
 She started out great and now she's invincible
 In two weeks our theme pictures will be taken
 Wearing almost nothing, no one'll be shaken
 Baseball's coming with swings and slides
 Hit those homes, watch 'em glide
 Chernenko, leader of the Russians is dead
 Now who will be the new Russian head?
 Early this March Mr. Vice suffered a massive heart attack
 We hope that he will soon be back

 As usual, you've been more

 good.
